

REACH/RoHS confirmation

With this letter we confirm that all products supplied by us to you (exceptions follow) are free of prohibited substances according to Regulation (EC) 1907/2006 (REACH) and according to the latest status of the ECHA candidate list of 14.06.2023.

Exceptions, respectively information obligation according to Art. 33 REACH-VO (EG 1907/2006): The following products distributed by us fall under the duty to inform, because they contain more than 0.1% of the below mentioned substance:

Arthur Krüger no.	Description	Substanz	CAS-Nr.
630000...	PVC-hart	Diöctylzinnverbindung	15571-58-1
	Pre-cast parts made of PVC-hart	Diöctylzinnverbindung	15571-58-1
441013...	PVC-Schaum	Diöctylzinnverbindung	15571-58-1
	Pre-cast parts made of PVC-Schaum	Diöctylzinnverbindung	15571-58-1

No special precautions are required when handling the articles/products, as the substance is firmly bound into the plastic and is not released when used as intended. However, the local workplace-related dust limit value should still be monitored during processing. Overheating, which can lead to the release of harmful decomposition products, should be avoided.

Furthermore, we confirm that all products supplied by us to you are free from prohibited substances according to the following directives:

2011/65 (EU; RoHS2)

2015/863 (EU; RoHS3)

In accordance with REACH's obligation to provide information along the supply chain, we are in regular and close contact with our suppliers, whose statements we rely on, as we do not carry out our own analyses of the ingredients.

Barsbüttel, 07.09.2023

 Nils Krüger

CEO
